

Torq 2.0

Upgrade Eligibility Information

Upgrade Eligibility

Customers who purchased an Xponent or Conectiv hardware device prior to January 13, 2011 are eligible to upgrade to Torq 2.0 for \$49.99. To purchase your upgrade, visit the Avid [webstore](#). After purchasing, you must provide a valid Xponent or Conectiv serial number. Once this number has been automatically verified, you will receive your download and serial for Torq 2.0 software. Only one upgrade per Xponent/Conectiv serial number is allowed.

If you have difficulty identifying your serial number, please contact [M-Audio support](#).

Xponent and Conectiv serial numbers can be found on the underside of the devices.

No-Charge Upgrade Program

Customers who purchase and register Xponent or Conectiv from January 13, 2011 to September 30, 2011 are eligible for a no-charge upgrade to Torq 2.0 software starting on February 8. For details, click [here](#).

For now, you can get started by downloading the Torq 2.0 Trial Preview [here](#).
